

Specification:

- 1)black color
- 2)polished smooth hard plastic enclosure
- 3)portable,slim design
- 4)usb 3.0 port
- 5)low price with high quality

Working parameters:

External USB3.0 DVD writer

External ODD Device

Model NO.: ECD818-SU3
POWER SUPPLY: DC 5V

CLASS I LASER PRODUCT
LASER ALISE 1

MADE IN CHINA

Warning: This device contains a laser. Do not stare into the laser beam. Do not use this device near your eyes. Do not use this device near children. Do not use this device near flammable materials. Do not use this device near electrical equipment. Do not use this device near power lines. Do not use this device near water. Do not use this device near heat. Do not use this device near fire. Do not use this device near smoke. Do not use this device near dust. Do not use this device near magnetic fields. Do not use this device near strong electromagnetic fields. Do not use this device near high voltage. Do not use this device near high frequency. Do not use this device near high power. Do not use this device near high speed. Do not use this device near high pressure. Do not use this device near high temperature. Do not use this device near high humidity. Do not use this device near high altitude. Do not use this device near high latitude. Do not use this device near high longitude. Do not use this device near high elevation. Do not use this device near high depth. Do not use this device near high speed of sound. Do not use this device near high speed of light. Do not use this device near high speed of gravity. Do not use this device near high speed of time. Do not use this device near high speed of space. Do not use this device near high speed of matter. Do not use this device near high speed of energy. Do not use this device near high speed of information. Do not use this device near high speed of knowledge. Do not use this device near high speed of wisdom. Do not use this device near high speed of love. Do not use this device near high speed of peace. Do not use this device near high speed of happiness. Do not use this device near high speed of success. Do not use this device near high speed of achievement. Do not use this device near high speed of fulfillment. Do not use this device near high speed of purpose. Do not use this device near high speed of meaning. Do not use this device near high speed of value. Do not use this device near high speed of character. Do not use this device near high speed of integrity. Do not use this device near high speed of honesty. Do not use this device near high speed of trust. Do not use this device near high speed of respect. Do not use this device near high speed of kindness. Do not use this device near high speed of compassion. Do not use this device near high speed of empathy. Do not use this device near high speed of understanding. Do not use this device near high speed of tolerance. Do not use this device near high speed of patience. Do not use this device near high speed of forgiveness. Do not use this device near high speed of mercy. Do not use this device near high speed of grace. Do not use this device near high speed of mercy. Do not use this device near high speed of grace. Do not use this device near high speed of mercy. Do not use this device near high speed of grace.

External ODD Device

Model NO.: ECD813-SU3

POWER SUPPLY: DC 5V
